TEACHER'S QUICK GUIDE (TASK-BASED)

Teacher Should Ensure:

- Tasks are completed **in order**
- Each task builds on the previous one
- Data is **real, not assumed**
- Language stays **analytical and respectful**

Evaluation Focus:

- Concept clarity (Task 1 & 6)
- Use of statistics (Task 2–5)
- Depth of insight (Task 6–7)
- Discipline & structure

Teacher Should Avoid:

- Turning tasks into debates
- Allowing slogans or emotional writing
- Political labeling

Why This Task-Based Model Works

✓ Students don't get lost
✓ Research becomes measurable
✓ Faith meets facts
✓ Deep thinking without overload
